

Accessing Your HistoryClass Course for Roark's *The American Promise*, Fourth Edition BEDFORD/ST. MARTIN'S

You can access HistoryClass for your course in one of two ways:

OPTION 1. In an access card that you buy in your bookstore, either as a stand-alone purchase you make or by having the card packaged with a Bedford/St. Martin's textbook. The access card contains an activation code that you will be asked to enter.

OPTION 2. As an online purchase directly from Bedford/St. Martin's. Most students who buy direct do so when they don't need the textbook or aren't asked to use a textbook. Buying direct from Bedford/St. Martin's offers savings over buying a stand-alone card from a bookstore.

This short flyer explains how each option works.

In either case, you'll either register your code or purchase access by going to the following URL and screen: <http://www.yourhistoryclass.com>

OPTION 1. Register a code printed on an access card purchased at your bookstore, either as a standalone product or as part of a package.

Make sure to save and keep the card. If it's part of a package, don't throw it out by mistake. The card will have directions you need to register the code contained it. When you go to the URL above, choose "Students Register Your Code", scroll down until you find your book and volume, click "Register", and follow the simple directions.

OPTION 2: You want to purchase access directly from Bedford/St. Martin's.

1. From the URL above, click on "Students Purchase Access Today"
2. Scroll down until you find your book and choose the correct volume, and click "Purchase"
3. Select the state or province where your institution is located from the drop-down menu. Then, select your institution and then your course (from the drop down menus)**. Click **NEXT**
4. Complete the registration form, including your first and last name, and email address. Create a username and password for yourself that you easily remember for use throughout the term. Click **NEXT**
5. Enter your payment information including name as it appears on the credit card, card number, expiration date, and billing address. Click **NEXT** and confirm all account information. Click **PLACE YOUR ORDER**
6. Once you have confirmed payment and placed your order, you will see a screen that says "Thank You," and confirms your name, email address, username, and password. You will also receive an email confirming your account.
